

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF GEORGIA  
WAYCROSS DIVISION**

CLEO WILLIAMS,

Plaintiff,

v.

MS. JOYCE,

Defendant.

CIVIL ACTION NO.: 5:22-cv-46

**REPORT AND RECOMMENDATION**

Plaintiff filed this action, asserting claims under 42 U.S.C. § 1983. Docs. 1, 9.<sup>1</sup> This matter is before the Court for a frivolity screening under 28 U.S.C. § 1915A. For the reasons stated below, I **RECOMMEND** the Court **DISMISS** Plaintiff's Complaint in its entirety. Because I have recommended dismissal of all of Plaintiff's claims, I also **RECOMMEND** the Court **DIRECT** the Clerk of Court to **CLOSE** this case and enter the appropriate judgment of dismissal and **DENY** Plaintiff leave to proceed *in forma pauperis* on appeal.

**PLAINTIFF'S CLAIMS<sup>2</sup>**

On June 8, 2022, Plaintiff was working on kitchen detail. Doc. 1 at 5. Defendant Joyce, an employee at the Coffee County Jail, called him a racial epithet and told him to get out of the kitchen. Id. Sometime after the incident occurred, Defendant Joyce was fired. Doc. 9 at 7.

---

<sup>1</sup> Though Plaintiff submitted two Complaints, both revolve around the same incident. Thus, the Court consolidated Plaintiff's causes of action into a single cause of action. Doc. 8.

<sup>2</sup> All allegations set forth here are taken from Plaintiff's Complaints. Docs. 1, 9. During frivolity review under 28 U.S.C. § 1915A, "[t]he complaint's factual allegations must be accepted as true." Waldman v. Conway, 871 F.3d 1283, 1289 (11th Cir. 2017).

Plaintiff states he did not receive medical treatment after the incident, though it is unclear what kind of medical treatment Plaintiff required. Id. at 5. As relief, Plaintiff requests a lawyer and for his charges to be dropped with no fines or fees imposed. Id.

### STANDARD OF REVIEW

A federal court is required to conduct an initial screening of all complaints filed by prisoners and plaintiffs proceeding *in forma pauperis*. 28 U.S.C. §§ 1915A(a), 1915(a). During the initial screening, the court must identify any cognizable claims in the complaint. 28 U.S.C. § 1915A(b). Additionally, the court must dismiss the complaint (or any portion of the complaint) that is frivolous, malicious, fails to state a claim upon which relief may be granted, or that seeks monetary relief from a defendant who is immune from such relief. Id. The pleadings of unrepresented parties are held to a less stringent standard than those drafted by attorneys and, therefore, must be liberally construed. Haines v. Kerner, 404 U.S. 519, 520 (1972). However, Plaintiff's unrepresented status will not excuse mistakes regarding procedural rules. McNeil v. United States, 508 U.S. 106, 113 (1993).

A claim is frivolous under § 1915(e)(2)(B)(i) if it is “without arguable merit either in law or fact.” Moore v. Bargstedt, 203 F. App'x 321, 323 (11th Cir. 2006). In order to state a claim upon which relief may be granted, a complaint must contain “sufficient factual matter, accepted as true, to ‘state a claim to relief that is plausible on its face.’” Ashcroft v. Iqbal, 556 U.S. 662, 678 (2009) (quoting Bell Atl. Corp. v. Twombly, 550 U.S. 544, 570 (2007)). To state a claim, a complaint must contain “more than labels and conclusions, and a formulaic recitation of the elements of a cause of action will not” suffice. Twombly, 550 U.S. at 555.

## DISCUSSION

### I. Plaintiff's Claim Against Defendant Joyce

The Eleventh Circuit Court of Appeals has held a district court properly dismisses a defendant where a plaintiff fails to state any allegations that associate the defendant with the purported constitutional violation. Douglas v. Yates, 535 F.3d 1316, 1321–22 (11th Cir. 2008) (“While we do not require technical niceties in pleading, we must demand that the complaint state with some minimal particularity how overt acts of the defendant caused a legal wrong.”). The only wrong Plaintiff asserts Ms. Joyce committed against him is she yelled a racial epithet at him while he was working on kitchen detail. However, an “isolated use of a racial epithet, while deplorable, does not rise to the level of a constitutional violation unless it is accompanied by other harassment or misconduct.” Brims v. Barlow, 441 F. App’x 674, 678 (11th Cir. 2011) (citing Williams v. Bramer, 180 F.3d 699, 706 (5th Cir. 1999), and Carter v. Morris, 164 F.3d 215, 219 n.3 (4th Cir. 1999)). Plaintiff has not established Defendant Joyce engaged in any other misconduct. By no means does the Court condone or approve of the language Plaintiff alleges Defendant Joyce used, but it is also clear these allegations, standing alone, are insufficient to allege a constitutional violation. Accordingly, Plaintiff’s Complaint should be dismissed.

### II. Leave to Appeal *in Forma Pauperis*

The Court should also deny Plaintiff leave to appeal *in forma pauperis*. Though Plaintiff has not yet filed a notice of appeal, it is proper to address these issues in the Court’s order of dismissal. See Fed. R. App. P. 24(a)(3) (trial court may certify appeal of party proceeding *in forma pauperis* is not taken in good faith “before or after the notice of appeal is filed”).

An appeal cannot be taken *in forma pauperis* if the trial court certifies the appeal is not taken in good faith. 28 U.S.C. § 1915(a)(3); Fed. R. App. P. 24(a)(3). Good faith in this context

must be judged by an objective standard. Busch v. County of Volusia, 189 F.R.D. 687, 691 (M.D. Fla. 1999). A party does not proceed in good faith when he seeks to advance a frivolous claim or argument. See Coppedge v. United States, 369 U.S. 438, 445 (1962). A claim or argument is frivolous when it appears the factual allegations are clearly baseless or the legal theories are indisputably meritless. Neitzke v. Williams, 490 U.S. 319, 327 (1989); Carroll v. Gross, 984 F.2d 392, 393 (11th Cir. 1993). Thus, a claim is frivolous and not brought in good faith if it is “without arguable merit either in law or fact.” Moore v. Bargstedt, 203 F. App’x 321, 323 (11th Cir. 2006) (quoting Bilal v. Driver, 251 F.3d 1346, 1349 (11th Cir. 2001)); see also Brown v. United States, Nos. 407CV085, 403CR001, 2009 WL 307872, at \*1–2 (S.D. Ga. Feb. 9, 2009).

Based on the above analysis of Plaintiff’s claims, there are no non-frivolous issues to raise on appeal, and an appeal on these claims would not be taken in good faith. Thus, the Court should **DENY** Plaintiff *in forma pauperis* status on appeal.

### **CONCLUSION**

For the reasons set forth above, I **RECOMMEND** the Court **DISMISS** Plaintiff’s Complaint in its entirety. Because I have recommended dismissal of all of Plaintiff’s claims, I also **RECOMMEND** the Court **DIRECT** the Clerk of Court to **CLOSE** this case and enter the appropriate judgment of dismissal and **DENY** Plaintiff leave to proceed *in forma pauperis* on appeal.

Any objections to this Report and Recommendation shall be filed within 14 days of today’s date. Objections shall be specific and in writing. Any objection that the Magistrate Judge failed to address a contention raised in the Complaint must be included. Failure to file timely, written objections will bar any later challenge or review of the Magistrate Judge’s factual

findings and legal conclusions. 28 U.S.C. § 636(b)(1)(C); Harrigan v. Metro Dade Police Dep't Station #4, 977 F.3d 1185, 1192–93 (11th Cir. 2020). To be clear, a party waives all rights to challenge the Magistrate Judge's factual findings and legal conclusions on appeal by failing to file timely, written objections. Harrigan, 977 F.3d at 1192–93; 11th Cir. R. 3-1. A copy of the objections must be served upon all other parties to the action.

Upon receipt of Objections meeting the specificity requirement set out above, a United States District Judge will make a de novo determination of those portions of the report, proposed findings, or recommendation to which objection is made and may accept, reject, or modify in whole or in part, the findings or recommendations made by the Magistrate Judge. Objections not meeting the specificity requirement set out above will not be considered by a District Judge. A party may not appeal a Magistrate Judge's report and recommendation directly to the United States Court of Appeals for the Eleventh Circuit. Appeals may be made only from a final judgment entered by or at the direction of a District Judge.

**SO REPORTED and RECOMMENDED**, this 14th day of March, 2023.
